

Need help with Medicare Prescription Drug Plans? Here's your chance to sit down with a Medicare counselor.

The Official Medicare Rx Help Day is Coming.

Medicare prescription drug coverage can save money on the prescriptions you're taking now, and protect you from catastrophic drug expenses in the future. Don't miss this unique opportunity to sit down with a Medicare Rx counselor to:

- get answers to all your questions
- review plans
- sign up

Be sure to bring:

- your red, white and blue Medicare card
- list of your Rx medications (including frequency and dosage)
- your pharmacy's name and location, or a list of pharmacies in your area
